The Body Soul & Spirit Expo is please to introduce our new Workshop Partnership Program! This form is for enrollment into our standard workshop agreement! This program a provides complete registration services, managment, and promotion and all revenues are split at a 50/50 bases (apx.). For complete details or for custom arrangements see http://www.bodysoulspiritexpo.com/workshop-program.htm

Our Standard Agreement! Workshop sessions are two hours each, and allow for 30 minutes between sessions. They are generally held in a workshop room within the venue that the expo is held (ask for details for your expo account manager as each venue is different). The room is set up theatre style for 35-120 people (depending on the room and venue). Additional items such as screens, projectors, flip charts, and other audio video items are available but need to be arranged with your account manager.

Workshops are also price at $45.00, and those who wish to attend purchase generic tickets that can be used at any of the basic workshops. We also provide a special value package V.I.P. wristband, which allows the wearer to attend the entire workshop that weekend. You receive $15.00 for EVERY V.I.P wristband wear (determined by the total number sold), as well as $20.00 per ticket holder! Stubs are collected as a control measure, however, the final total is always based on the sign in and will call list at the workshop registration kiosk.

Note: After 15 years of producing events we have discovered that in most cases even our most notable keynotes and featured workshop presentors (including best-selling authors like Dr. Doreen Virtue, James Twyman, Dr. Steven Farmer, Anodea Judith and many others), would have been more successful for all concerned if we simplified our program with a 50/50 split of revenues. The goal of this program is to provide both our "international Recognized as well as local talent and expert a framework to join us in provided empowering and informative programs to create a truly life-changing weekend for all who attend.
